What's the procedure?

First you have to decide what type of certificate you would like to test for, or if you only want to attend an Instructor's workshop. Find the test event at FFF's webpage –Instructor certification – Testing dates -Sweden 2010. <http://www.fedflyfishers.org/Default.aspx?tabid=5129>

Read all information you can find about Instructor certification before you decide. Direct any questions regarding the tests to the organisers, contact information below.

There are four alternative test options. 1 – 4 includes a FFF Membership Fee. Choose the alternative you like to book, "Click Here to Book" under Buy Now column and follow the payment instructions.

Test options 5 – 8 is the same tests without FFF Membership Fee. Use this only if you already are a FFF Member.

You are allowed to choose multiple options, but you only need to pay the membership fee for one of the tests. For example, if you like to test for both CI and THCI choose option 2) for CI including FFF Membership Fee and option 8) for THCI without membership fee.

As soon as you have your booking confirmed from FFF's office. Please send an email to the event organizer, stefan.siikavaara@telia.com and copy to info@lillamalma.se to let them know that you have booked.

Federation of Fly Fishers

Next step?

You need to plan for your trip, book flight/train tickets and book accommodation yourself.

Fishing license will be available (if you get spare time!) to a cost of 160 SEK/Day.

As soon as the registration deadline is passed or when the test event is fully booked you will get a list of all candidates and a schedule for the weekend. But be ready for your test between 09.00 on Friday 28 to 18.00 on Sunday 30. If you have a tight flight schedule, please consult the organizers.

Where to meet up?

Älvkarleby Fiskecamp, Bistro/restaurant – Reception. Either the organizers will be there when you arrive, or the Camp-staff will give you the information about where to find them.

The casting tracks will be located just 150 m from the Camp and the THCI test will be held at the river. If you have trouble to find your way, just call the organizers:

Stefan Siikavaara, +46 76 822 89 86

Thomas Berggren, +46 70 889 89 32

Accommodation:

We have made no reservations for accommodation for Candidates and Examiners. You have to book for yourself. There are two recommended options and the first is at Älvkarleby Fiskecamp that offers good value simple standard cabins for self catering. The Camp is a good choice regards to walking distance to test area and fishing.

Then you have Älvkarleby Turist & Conference Hotel who offers a higher standard including breakfast, the downside is a bit of a distance to the testing area.
